2K8 Fall League Schedule/Results

Updated Nov. 24

[5 on 5 Playoff Highlights]

[A Division] The Punishers peaked at the right time, playing their best football on the final day of the division's playoffs.

While Liquid Force gave them a scare in the qualification phase, they destroyed both opponents in the Semis and Championship, beating the Panthers 55 to 33 (breaking a streak of 5 straight losses to them), and Sweet As in the Championship 28 to 6. That was most likely the least amount of points Sweet As has ever scored in a game. Sweet As had beaten Juiced and the Gators by a large margin to get to the Championship.

The Gators and Panthers got to the semi-finals by winning very close, dramatic games under the lights on Thursday.

The Gators came from behind and drove 40 yards to score with less than 10 seconds to play to beat the Muddogs. The Muddogs had a chance on their last play with a series of pitches (bring up images of the famous California "band" game), but they didn't quite get the final pitch off in time that could have led to a TD.

The Juiced-Panthers games on that same night was one of the best games of the year. Juiced proved that they can play with anyone and actually had the Panthers on the ropes, but a few dropped TD passes and some confusion for a few plays gave the Panthers a chance to take an 8

point lead on two quick TDs, as the veteran team took advantage of the newer team's momentary lapse of focus. To Juiced credit, they regained their composure and tied the game with an impressive drive and a 2 point conversion and then stopped the Panthers from scoring before regulation time expired. Neither team scored in the first 2 OTs, and then both teams scored in the 3rd OT. The Panthers got their XP and Juiced went for 2 in a gutzy call, but the pass was broken up and they lost by 1 point.

[B Division] After beat the undefeated #1 seed Blue Angels the week prior, Eagle Creek destroyed the Hitmen and Vernaliens to win their 2nd B division Championship. QB JD Ohrn was the MVP.

[C "Comp" Div] The Nighthawks were the other team (beside Out of Shape), that went through the regular season and playoffs without losing a game. They destroyed Blueball in the Semi's, but Channel 4 News gave them a run for their money in the Championship. Channel 4 went up by 6 points with 40 seconds left but then Curtis Brinkerhoff caught a 40 yard TD to tie the game and they got their extra point to win it. Joe Adamson was named the division's MVP.

[C "Rec" Div] Burnt Toast won a thriller in the Semi's against No Punt Intended, beating them by 1, and then beat the Ballhogz 26 to 19 to claim the championship. Cody Culligan was their MVP.

[8 on 8 Playoff Highlights]

[A Division] UPSET ALERT!!!- #9 Seed United pulled off the biggest upset of the year, knocking of the defending Champs

Da Bears 25 to 22 in the Quarter-Finals. United Started off the game hot and scored on all 4 of their possessions in the first half to take a 25 to 14 lead into halftime. They scored on the last play of the half, which turned out to be huge. Da Bears cut the lead to 25 to 22 in the second half and kept United from scoring at all in the 2nd half, but United didn't make any big mistakes and sustained a few long drives to pin Da Bear back inside the 20 on their last two drives and their defense held them on both drives. Da Bears got the ball back with 1:41 left and began a 90 yard drive but a snap over the QB's head on 3rd down and then two of their own players jumped up to catch the first down attempt on 4th down and ended up knocking the ball away from each other and that sealed the game for United.

The #1 and #3 seeds, Hornets and Quick 6 advanced to the semis with fairly easy wins.

The final Semi-Final participant will be the #6 seed Otter, who won a classic vs. #5 seed Wolfpack. Wolfpack led 12 to 7 with less than 2 minutes to play but Otter drove 80 yards and scored with about 30 seconds to play to win a thriller. NOTE: This game can be seen on You Tube.

Dustin filmed it as a test for an idea that we have for filming one game a week next year. We will provide a link to the You Tube file and you can watch the game at any time.

Quick 6 and the Hornets took care of their respective opponents in the Semi-Finals (United and Otter) by 3 or 4 TDs and then the two powerhouses met for another epic match-up in the Championship game and it was a great game. Quick 6 jumped to a 13 point lead on the first play of the second half, but the Hornets cut the lead to 6 and then poor clock management by Quick 6 gave the Hornets a chance in the end, but they would have had to go 98 yards in 1:11 with no time-outs and they only made it about half way. Harold Ragin was named the division's MVP.

[B Division] Out of Shape ended up going undefeated through the regular season and through the playoffs. They met Older Fatter Slower in the Championship. Out of Shape beat Whooba by 6 in the Semi's and OFS beat Bad Knees. In the Championship. Out of Shape took a 14 to 6 lead into halftime and both teams held each other to no points in the second half until OFS scored with 50 seconds left but missed their extra point. QB Mike Fenton was the MVP.

[C "Comp" Div] Seven only lost 1 game all year and that was to the Tigers. They avenged that loss in the quarter-finals, beating the Tigers by 1 point, but they totally dominated Price Is Right and Shield Zone on Championship day. QB Mike Maughan was the division MVP.

[C "Rec" Div] The 4th seed, Reunited upset the #1 seed Joe's Crabshack in the Semi's with a 19 yard TD on the last play of the game. They couldn't keep the momentum going, however, and Rocky beat them soundly in the Championship game. David Parker was the MVP.
