Changes in the Utah Flag League

Utah Flag League is looking to make some changes. We have been around for a year now and we have learned a lot. We will be having a meeting with our board (still one opening) to discuss rule changes, etc...

On the website more sections are being added with new content. If you have any suggestions of what you would like to see, let us know. Current copies of the newsletter will be on the website.

Why Contact Flag is in Jeopardy

This is an article written and posted on www.mcffu.com. It discusses issues related to the teams that either want to compete on the national level or teams already competing on the national level. The main point of the article is roster control. Some teams on the National Level compile a roster from a couple of teams, which may cause fewer teams to compete nationally. It is a good read for all.

The State of Flag Football in Utah

Punishers: UFL 5 Man Pro (A) Champions

One of our goals as a Flag Football Organization is to support our affiliate organization, Metro Competitor's Flag Football Union (MCFFU). In doing that we are working to bring all of the Flag Football Leagues in Utah together to compete against each other, in a true State Tournament.

At this stage we know there are about 15 different Leagues in Utah. Most appear to be 5 Man, 7 Man and 8 Man. The State Tournament will have 5 Man and 8 Man formats available. Look for more information on the State Tournament soon.
