~Years in Operation: Established 2009 Spring Season

~Championship Hardware: None ...yet

~Most Memorable Team Moment: a tie here defeating the Bulldogs FINALLY in the '10 playoffs, A come from behind win against BAMF in the '09 Spring season.

~Most Forgettable Team Moment: Up 18-0 against the Smashers, only to lose 27-18 in the regular season and see them win the Spring '10 Championship.

~Team Background: High School experience mostly, some players have coached in the Ute Youth Football League, Several years in this Flag League dating to fall 1994, Bunch of Old Men trying to have fun. We have great chemistry, players, and leaders on both sides of the ball.

~Anything else you would like to add? Yes bring back Kick Offs, Players of the Week, and Lets get the women's league going. Maybe send flyers now while the ladies are sitting on sidelines watching us play. Best way to spread the word, can we say Lingerie League on MTV?
